

Fall 2011

Interfaith Dialogues

**Interested in learning more about
faith traditions?**

We invite you to spend six sessions sharing experiences of your faith tradition and hearing about the faith journeys of others.

Topics may include: Prayer, Stereotypes and Sacred Texts

"This was an unforgettable experience...We shared our faith history. We embraced a diversity-culture and then we became friends. We may not share the same religious values or convictions, but we do share genuine compassion for one another."
– Ryan M., Spring 2011 Participant
